ADVISORY ON CORONAVIRUS DISEASE 2019 (COVID-19)

Arts House Limited (AHL) upholds the safety of our staff, patrons and visitors at the highest priority.

We will continue to monitor the developing situation to protect our staff, performing artists, tenants, visitors and patrons at our five centres against the Coronavirus Disease 2019. We have stepped up on the frequency of cleaning of all common-areas, including our performance spaces, public toilets and contact surfaces.

In light of the current situation, all AHL staff will be required to take their temperature daily. Individuals with a fever or display symptoms such as persistent cough and fever will be advised to seek immediate medical attention.

In addition, we would like to remind all visitors and patrons that we should remain vigilant collectively and to monitor their health condition closely and practise good personal hygiene and follow the health advisories issued by the Ministry of Health.

Visitors and patrons are advised to refer to the official MOH website for latest updates on the COVID-19 situation, as well as our respective venue websites for any show postponement or cancellation.
